

## **Short bio Alessandra Barreca**

Alessandra Barreca, LL.M. (UCL-London) in European Law, is a lawyer and environmental free lance consultant with more than 10 years of working experience.

She provides research and consultancy services in International and EU Environmental law and policy with focus on the following sectors: climate law and policy; Emission Trading; energy and environment; sustainable development and approximation to the EU Environmental Acquis (focus on Chapter XXVII).

In such a context, she specialized in legal-technical assistance to both public and private entities in the framework of national/EU projects aiming at supporting the countries engaged in the EU Stabilization and Association Process.

She is lecturer in the Sino-Italian Environmental Cooperation capacity building programme.

Currently, she is Key Senior Legal Expert in the EuropeAid/134454/D/SER/TR *Technical Assistance for Support to Mechanism for Monitoring Turkey's Greenhouse Gas Emissions*.
